ARTICLE II

The Association

2.01 Declaration Controls. No provision of the articles of incorporation, bylaws or other governing document of the Association shall prevail over a conflicting provision of this Declaration, as it may be amended from time to time. Nor shall any act be authorized or taken, nor any policy be proposed or promulgated by or under the authority of the Association by any means other than amendment of this Declaration, if the effect of same is to accomplish a purpose or result that would otherwise require an amendment hereof. Nothing herein shall be deemed to restrict the Association from any action or provision in its articles or bylaws that is not in conflict with this Declaration.

2.02 Membership. Every person or entity who is a record Owner of a fee or undivided percentage fee interest in a Lot that is subject by covenants of record to this Declaration and to assessment by the Association, including a vendee under a recorded agreement for sale, but excluding developers other than Declarant and Declarant's agents as provided in section 1.13, shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment by the Association. Ownership of a Lot shall be the sole qualification for membership.

84 410737

2.03 Voting Rights. A member shall be entitled to one vote for each Lot in which he holds the interest required for membership by this Article II; provided, that until the date when 75 percent of the Lots have been sold by Declarant, Declarant shall be entitled to 100 percent of the votes of the Association, to the exclusion of other Owners, regardless of the number of Lots it may own. When more than one person holds an interest in any Lot, all such persons shall be members, but the single vote for such Lot shall be exercised as they among themselves may determine. In no event shall more than one vote be cast with respect to any one Lot.

2.04 Special Meeting Notice and Quorum Requirements. A special meeting of the members of the Association may be held to conduct any business authorized under Article IV, Sections 4.03, 4.05 or 4.06, provided that written notice of such special meeting shall be sent to all members of record of the Association not less than thirty days nor more than sixty days in advance of said meeting. At the first meeting so called, the presence at the meeting of members or of proxies entitled to cast 60 percent of all votes shall constitute a quorum. If the required quorum is not forthcoming at such meeting, a second special meeting may be called, subject to the same notice requirement. The ^{Unofficial Document} required quorum at such second meeting shall be one-half of the required quorum at the preceding meeting, and upon attendance in person or by proxy of the stated quorum the meeting shall be valid for the purposes called. A third subsequent meeting may be held upon the same terms, including a further reduced quorum. No such subsequent meeting shall be held more than sixty days following the preceding meeting.

2.05 Compensation of the Board of Directors. No member of the Association or member of the Board of Directors shall be given any compensation, except the President of the Association shall be entitled to have lawn maintenance cared for by the entity, person or business that is hired by the Association to maintain and water the landscaping on the Town of Gilbert easements along Elliott Road and Lindsay Road. Any contract let for such maintenance shall include the work on the Presidents's lawn.

ARTICLE IV

Covenants for Assessments

4.01 Creation of Lien and Personal Obligation of Assessments. Each Owner of a Lot within the Properties, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the Association: (a) annual assessments or charges, and (b) special assessments for capital improvements and other purposes, such as assessments to be fixed, established and collected from time to time as herein provided. The annual and special assessments, together with interest thereon and expenses of collection as herein provided, shall be a charge upon a Lot and shall be a continuing lien upon any Lot against which each assessment is made. Each such assessment, together with interest and expenses Unofficial Document shall also be the personal obligation of any person who was the Owner of such property at the time the assessment fell due.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used (a) for the maintenance, repair and improvement of the Common Area, including landscaping, and for the maintenance of the landscaping on the easements granted to the Town of Gilbert along Elliott Road and Lindsay Road, (b) for the purchase of liability insurance to cover the liability of the Association and its directors, officers and members, and (c) for such other use as the Board of Directors may approve by majority vote at any regular or special annual or other meeting.

4.03 Annual Assessments. The first annual assessment on each Lot shall be due January 1, 1984 and be delinquent after January 15, 1984. Thereafter each annual assessment shall be due on January 1 and be delinquent after January 15 of each year.

4.04 Separation of Assessment Funds. The Board of Directors shall establish two separate funds into which the receipts of the annual assessments shall be deposited. One fund shall be designated "Capital Improvement Fund," shall be used only as a sinking fund to make capital improvements on the streets, curbs, and other improvements, and shall accumulate until revenues are needed for that purpose. Not less than 35 percent of the annual assessment receipts shall be allocated to the Capital Improvement Fund. The

84 410737

balance of the receipts shall be deposited into a "General Fund" and may be used in any manner provided under Article IV, section 4.02 of this Declaration.

4.05 Deed-Restriction Enforcement Fund. In addition to the annual assessment created herein, there shall be a special "Deed-Restriction Enforcement Fund" which shall be created at the time of the sale by the Declarant of any Lot in the Subdivision. At the time of such sale each purchaser shall pay into this special fund the sum of One Hundred Dollars (\$100.00). Said fund shall be restricted for use only in the enforcement of these deed restrictions and shall be administered by the Board of Directors of the Association. The Board of Directors may use this special fund to retain counsel, to seek court injunctions, to hire contractors, or to do any other thing which may in their sole discretion be necessary, reasonable or proper to carry out and enforce this Declaration. The Deed Restriction Enforcement Fund shall remain in effect for a period of five years from the date of the last original sale by Declarant of a Lot in the Subdivision. At the end of said five-year period, the fund may be dispersed in equal proportions to the then lawful Owners of record, provided that a two-thirds majority of the members approve of said distribution at a special Association meeting, or at an annual meeting for which such proposal is duly noticed, or may be deposited in the general account of the Association free of this covenant.

4.06 Special Assessments for Capital Improvements. In addition to the annual assessment authorized above, the Association may levy, in any assessment year subsequent to 1984, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement for any purpose not in conflict with this Declaration, upon any property owned by the Association or by the Owners in common, including the necessary fixtures and personal property related thereto, provided that any such assessment shall be passed in the affirmative by a majority of all votes cast at a regular or special Association meeting duly called or noticed for such purpose, a quorum being present.

4.07 Rate of Assessment. All assessments shall be fixed at uniform rates for Lexington and Concord Lots, respectively.

A. The prorata amount of any assessment stated herein or ordered by the Association shall be applied equally to all Lots in the Lexington Area (Lots 171 through 289). The assessment for the same purpose against Lots in the Concord Area (Lots 1 through 170) shall be fixed at two-thirds of the rate applicable to the Lexington Area. Assessments may be collected on a monthly or annual basis, as may be determined by the Board of Directors.

84 410737

B. The first annual assessment shall be Three Hundred Sixty Dollars (\$360.00) per Lot.

C. From and after January 1, 1965, the maximum annual assessment may be increased (1) by the Board of Directors without a vote of the members, (a) by not more than ten percent of the annual assessment established for the previous year or (b) the increase in the Consumer Price Index issued by the U.S. Department of Labor, whichever is greater, or (2) by a larger percentage upon an affirmative vote of two-thirds of the Owners present at an annual or a special Association meeting duly called for that purpose.

4.08 Date and Certificate of Assessments. The annual assessments provided for herein shall commence as to any Lot on the first day of the month following the conveyance of an individual Lot to an Owner (including to a developer or contractor), and shall be prorated according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty days in advance of each annual assessment period. All other assessments shall commence upon Board authorization and be due and delinquent as the Board shall provide. Written notice of every ^{Unofficial Document} assessment shall be sent to every Owner subject thereto, but failure to do so shall not affect the validity of the assessment or any lien premised on it. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association stating whether on that date the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of such certificates, which shall be conclusive evidence of payment of any assessment therein stated to have been paid.

4.09 Priority of Assessment Liens. Liens imposed upon the Properties by this Declaration shall have the same effect and priority as a lien for real property taxes or other liens imposed for the common welfare and benefit of the Owners, and as such shall without necessity of recording be superior to all mortgages and other conveyances or other non-governmental liens, however imposed. Without limiting the generality of that principle, the following specific terms shall apply to such liens:

A. Sale or transfer of any Lot shall not affect an assessment lien. No sale or transfer shall relieve any Lot from liability for any assessments thereafter becoming due or from the lien thereof.

B. The lien of the assessments provided for herein shall be subordinate to the lien of any First Mortgage made in good faith and for value. The sale or transfer of any Lot pursuant to foreclosure of such mortgage, or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments that became due prior to such sale or transfer, provided, however, all of

84 410737

the covenants, conditions and restrictions in this Declaration shall be binding upon any Owner whose title is derived through such foreclosure or exercise of a power of sale. No breach of the covenants, conditions, or restrictions in this Declaration, nor the enforcement thereof, shall defeat or adversely affect the lien of any such First Mortgage.

4.10 Evidence of Lien. It shall not be necessary to the validity, enforceability or binding effect of any lien imposed by authority of this Declaration that it be evidenced by a recorded document other than this Declaration. It shall be sufficient to establish the amount of the lien in a lien-foreclosure action that the complaint describe the unpaid assessment(s) with particularity. Notwithstanding other provisions of this section, a certificate stating the amount of any unpaid assessment, acknowledged and recorded by the secretary or treasurer of the Association, shall be prima facie evidence of the amount of the lien.

4.11 Effect of Nonpayment of Assessments; Remedies of the Association. Except as is specifically otherwise provided herein, any assessment not paid on or before the due date shall be delinquent, and shall bear interest from the date of the delinquency at the rate of fifteen percent per annum. The Association may employ attorneys or other agents for the collection of delinquent assessments, and all expenses so incurred, including a reasonable attorney fee, shall be added to the assessment and bear interest accordingly. The Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the property in accordance with Arizona law relative to realty mortgages or to other realty liens, and interest, all expenses and the taxable costs of any action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, abandonment of his Lot, or other means.

ARTICLE V

General Use Restrictions

5.01 Applicability. The covenants and restrictions in this Article V shall apply to all the Properties without exception.

5.02 Residential Use. The Properties shall be known, described and used as residential property, and no more than one single-family Residence may be constructed on any one Lot as shown in the plat of the Properties, except that more than one Lot may be used for one Residence, in which event, all restrictions contained herein shall apply to such Lots as if they were a single Lot.

84 410737

5.03 Restrictions Apply to All Structures. All structures as defined in the Town of Gilbert Zoning Regulations in effect as of the date of recording this Declaration ("Structures"), including without limitation tennis courts and swimming pools, must be constructed on the Properties in compliance with these restrictions. All building structures must be architecturally compatible with the residence on the Lot and must have the approval of the Deed Restriction Review Committee prior to construction.

5.04 Typical Setback Requirements. No building shall be located on any Lot nearer to the front line than ten feet, no buildings shall be located nearer than five feet to any interior lot lines, nor closer than five feet to a side lot line adjacent to a street, except that (a) interior lot-line provisions for the Concord Area are stated in Article VII, (b) side yards in respect of detached garages and other permitted accessory buildings located in the rear one-half of the Lot need only conform to the requirements of the Town of Gilbert, and (c) a variance may be granted by the Deed Restriction Review Committee for good cause shown due to design requirements in furtherance of the general plan of development and this Declaration. For the purpose of this restriction, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that the same shall not be construed to permit any portion of a building on a Lot to encroach upon another Lot.

5.05 Prohibited Structures. No tent, shack, garage, barn or other outbuildings shall, at any time, be erected and used temporarily or permanently as a residence or for any other purpose, nor shall any recreation vehicle be used as a residence or for any other purpose on any of the Lots or streets in the Properties. No structure of any kind shall be moved into any part of the Properties except temporary buildings used by contractors in connection with construction work, it being the intent of this Declaration that all structures on any Lot shall be newly and permanently constructed thereon.

5.06 Condition Precedent to Construction. No building permit shall be deemed valid unless before issuance thereof construction plans are on file with the Town of Gilbert that have been approved by the Deed Restriction Review Committee. No construction of a residence shall be started prior to this requirement being met.

5.07 Reasonable Progress of Construction. All buildings in the Properties shall be of new construction and shall be completed within 18 months of commencement. For violation of this section, the Association acting through its Board of Directors may (a) cause the uncompleted improvements to be torn down and removed from the Properties, (b) impose an assessment and a lien upon the Owner and the subject Lot in the amount of \$1,000.00 for every month past the permitted 18 months that construction remains incomplete, (c) pursue any remedy permitted at law or in equity, either singly or in combination with other remedies, and (d) collect from the Owners and

84 410737

impose upon the Lot in question a lien for all loss, cost or expense, including a reasonable attorney fee, incurred by the Association for enforcement of this section.

5.08 Walls and Fences. Fences shall be erected on every Lot having a Residence thereon, along the rear lot line ("rear fence"), along the side lot lines from the rear fence to the side fence ("lot line fence"), and from the Residence to each lot line fence ("side fence"). No fence or wall higher than seven feet or less than six feet shall be constructed across the rear or along the side of any Lot, nor shall any fence or wall other than of brick, cement-block or ornamental-iron construction be placed upon any Lot, except gates thereof may be of wood construction. In addition, the side fences, or in the case of a corner Lot the side fences and the lot line fence on the street side of the Residence, shall be of the same architectural style as the Residence and shall be approved by the Deed Restriction Review Committee. All walls or fences shall be erected prior to the Owner of any Lot taking possession of a Residence on the Lot. Fences or walls constructed within the area of the minimum front or side setback line shall not exceed two feet six inches (2.5 feet) in height, and fences or walls constructed on any side lot line shall not exceed seven Unofficial Document feet in height. No fence, wall, hedge or shrub planting that obstructs sightlines at elevations between two and six feet above adjacent roadways shall be permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points thirty-three (33) feet from the intersection of such street lines, or in the case of a rounded property corner from the intersection of such street lines extended. No tree shall be permitted to remain within the described triangle at such intersections unless its foliage is maintained at sufficient height to prevent obstruction of such sight lines.

5.09 Electronic Gates. No electronically operated gates shall be erected across any street.

5.10 Water Drainage and Easements. To assure the proper flow of surface water within the Subdivision, each Lot and its Owner shall conform to these requirements: An Owner or Occupant of a Lot shall not at any time fill, block or obstruct any drainage easements and drainage structures on the Properties, nor shall any Owner cause or suffer to be erected on any Lot, any building or obstruction for the purpose, directly or indirectly, of obstructing, blocking or filling any such drainage easement or drainage structure, and each Owner agrees to repair and maintain all such drainage easements and drainage structures on a Lot, making good nevertheless, at his own expense, all damage which may be caused to the said drainage easements and structures on the Properties, and each Owner agrees to repair at his own expense, all damage to any structure or any Lot which may be caused, directly or indirectly, by his obstructing, blocking or filling any such drainage easement.

84 410737

5.11 Landscaping and Grounds. All Residences shall have landscaping from the side-fence (as defined herein) to the front Lot line of the Lot completed within ninety days of possession of the Residence. No landscaping shall be of anything other than natural organic material and shall specifically not be of desert landscaping, rock, or decomposed granite. The Deed Restriction Review Committee shall have complete control and discretion of approval or disapproval of any rock or decomposed granite used as an accent item in a green organic lawn. All Residences shall have installed in the front yard area an automatic sprinkler system for the landscaping, which shall be maintained on a regular basis. No planter or other obstruction shall be installed more than three feet from the front wall of any Residence. Each Occupant shall cooperate with the reasonable needs of the Association concerning maintenance of the front yards in the Subdivision.

5.12 No Obstruction of Easements. Easements, as indicated upon the recorded map or plat of this Subdivision, are reserved for the installation and maintenance of public service utilities and other uses for public or quasi-public good. No buildings or other structures shall be placed upon such easements or interference be made with the free use of the same for the purposes intended. No fences will be allowed in the front ^{Unofficial Document} public utility easements of individual Lots.

5.13 Business Prohibited. No trade, business, profession or other type of commercial activity shall be carried on upon any Lot, except that real estate brokers, owners and their agents may show dwellings in the Properties for sale or lease, nor shall any Lot be used as a hospital or sanitarium or other place for hire for the care or entertainment of persons suffering from any disease or disability whatsoever; nor shall anything be done on any Lot which may become an annoyance or nuisance to the neighborhood. Every person purchasing a Lot in the Properties recognizes that Declarant, its agents or assigns, has the right to conduct construction and sales activities in the Properties until all of the Lots in the Properties have been sold.

5.14 Advertising Prohibited. With the exception of one "For Rent" or "For Sale" sign (which shall not exceed 24 x 24 inches in size) no advertising, signs, billboards, handbills, unsightly objects or nuisances shall be erected, placed, or permitted to remain on any Lot or portion thereof. 5.16 Vehicle Use. No Occupant's vehicles shall be parked on any part of the Properties except on paved concrete, brick, or asphalt driveways provided on the Owner's Lot, provided that an Occupant may park a vehicle on a street for a period not exceeding two hours. No overnight parking shall be permitted on any street, nor shall visitors be permitted to park vehicles on streets longer than twenty-four hours. No trailers, trucks or commercial vehicles, other than those temporarily present on business may be parked in the Properties and no overnight parking of such vehicles shall be permitted. Boats, boat trailers and other recreational vehicles shall be parked inside of garages or may be concealed from public view behind the side lot fence line if a paved brick or concrete pad is provided for the storage of said vehicle. No vehicle of any type that is abandoned or inoperable shall be stored or kept on any Lot within the Subdivision in such a manner as to be seen from any other Lot or from any streets or alleyways within the Subdivision, and the same shall be removed from the Subdivision as soon as may reasonably and conveniently be accomplished. The Association may, without notice or liability, cause any vehicle violating this section to be towed or removed at the joint ^{Unofficial Document} expense of the vehicle owner and the Owner and Occupant of the Lot with which the vehicle use is associated.

5.17 Vehicle Repair. All abandoned or junked vehicles, while being repaired or restored, shall be stored in an enclosed garage or in such a manner as not to be visible from any point lying without the Lot which the abandoned or junked vehicle is stored or parked. For the purposes of this section: (a) "abandoned or junked vehicle" means a vehicle or any major portion thereof which is incapable of movement under its own power and will remain so without major repair or reconstruction; (b) "major repair" means the removal from any vehicle of a major portion thereof including but not limited to the differential, transmission, head, engine block or oil pan; (c) "vehicle" means any self-propelled device in, upon, or by which any person or property is or may be transported upon a public highway.

5.18 Trash Removal. Trash, garbage or other waste shall not be kept except in sanitary containers, as approved by the Town of Gilbert. Such refuse containers shall not be permitted in the front yard and shall be screened from street view. Each Residence shall provide an area for the storage of said trash containers, which area shall not be visible from any other adjoining Lot and shall be used to house the container when it is not placed on the street for pickup. Trash and garbage containers may be placed on the street on normal pickup days but shall be removed to their proper storage area as soon as possible after they have been emptied

5.21 Physical Condition of Lots. All vacant Lots shall be at all times kept free of rubbish and litter, subject to the normal requirements of construction activities upon each Lot; weeds and grass shall be disked out or kept well mowed so as to present a tidy appearance. The yards and grounds in connection with all improved properties shall be cultivated ^{Unofficial Document} and planted to the extent sufficient to maintain an appearance not out of keeping with that of typical improved properties in this Subdivision. Lot Owners agree they will arrange for the care of their Lots during prolonged absence. Front yards shall be maintained as provided in Article VIII.

5.22 Enforcement of Lot Maintenance Restrictions. In the event a Lot Owner does not maintain his Lot in a neat and proper manner as provided herein, the Association may cause such Lot to be cleaned and restored to proper condition. Upon the Lot Owner's refusal to pay the cost of such cleanup within thirty (30) days after presentation of a bill therefor, the Association may record an affidavit in the Office of the County Recorder of Maricopa County, State of Arizona, stating that said Owner refused to maintain said Lot in a neat and proper manner, the amount of cleanup cost, and to whom it was paid and the date, and such amount shall thereupon constitute a lien against said Lot subject to and enforceable in accordance with the provisions of Article IV hereof.
